

# VILEBREQUIN

LOOKBOOK  
SUMMER 2026

Inspirée du surréalisme, la collection Été 2026 Vilebrequin explore un univers où l'eau et la terre se réinventent sans limites : couleurs franches et matières innovantes tissent un monde onirique qui sublime la nature.

Collection disponible en boutique et sur [Vilebrequin.com](https://vilebrequin.com)  
à partir de Février 2026

For Summer 2026, Vilebrequin takes imagination on vacation. Inspired by the elements of water and earth, the season explores Surnaturalism — Saint-Tropez's brighter, bolder answer to Surrealism. Nature is exalted, colors dream, fabrics dare, and prints just want to be free. Enigma-chic!

Collection available in stores and online at [Vilebrequin.com](https://vilebrequin.com)
